

WWMT, WWMT-DT and WWMT digital channel 3.2 (CW7) which serves the Grand Rapids, Battle Creek & Kalamazoo market, will be operating at reduced power starting November 21st in order to make necessary changes for the upcoming digital transition in February. The transition period could last two to three weeks depending on weather and other factors. We regret this inconvenience, if you have questions please contact us at 590 W Maple Street, Kalamazoo, MI
